The E.O.I. Santa Lucía is an official language school located in the southeast of Gran Canaria. Official Language Schools are public centres that provide non-university adult language training. We offer three foreign languages at our school: English, French and German and impart classes in three levels, equivalent to A2, B1 and B2, of the Common European Framework of Reference.

We are looking for Erasmus students, who will give our pupils the possibility to meet preferently native speakers of the languages we offer, so that they can have more oral practice and they get to know better the culture of the country. In return, the Erasmus student will have the opportunity to work in a very friendly environment with motivated pupils, and to acquire knowledge and skills related to teaching a language, student evaluation and assessment, coordination with other teachers, evaluating her own work and making decisions about the teaching methods used.

They will also have the chance to improve their Spanish knowledge, to learn about local traditions and meet Canarian people, who are well known for being friendly and easygoing.

We are looking forward to learning from you and sharing our experience with you.
