Umbrella Networks

An umbrella network is a network that is basically of good enough quality to be accepted, yet there have not been sufficient scholarship months to service it.

Kontakt

www.ceepus.info

OeAD-GmbH/ICM (Zentrum für Internationale Kooperation & Mobilität)

However, if at a later stage some free months can be located, the National CEEPUS Offices can supply your network and applicants can apply as regular network mobility. Note though that it is unlikely that all your participating units can receive months.
