

Information concerning Learning Agreements and courses outside your nominated field of study

You can find more information on how your mobility coordinator wishes to receive your LA in this list (sorted by field of study) and what you need to consider when you want to attend courses outside your nominated field of study in a specific field.

	Last name of mobility coordinator	Do you have to send your LA to your mobility coordinator before you arrive in Vienna?	Is participation in courses possible even if you are not nominated in this field?
Ancient history	Hallmannsecker	Yes	Participation in all courses is permitted.
Art History	Link		
Astronomy	Team Student Mobility Astrophysics	No	Participation in all courses is permitted.
Biology	Wilfing	No. In case you are interested in a laboratory place, please organise this by yourself in advance. Possible departments are all mentioned under the following link excluding pharmaceutical and nutritional sciences: https://lifesciences.univie.ac.at/about-us/departments/	Participation in lectures (Vorlesungen) is basically permitted, but has to be discussed with each instructor after arrival in Vienna. Participation in other courses may also be permitted, but permission has to be discussed directly with the instructor at the beginning of the semester as well. It is not required to discuss course participation with the mobility coordinator.
Business administration	Link		
Byzantine and Modern Greek	Dimoula	Yes	In case of interest in attending seminars or proseminars please register in person. Participation in all other courses is

Studies			open and permitted.

Chemistry		Link	
Classic Philology	Klecker		Participation in lectures (Vorlesungen) and general seminars is permitted without limitation. Subject-specific seminars can only be attended after personal consultation with the mobility coordinator. Appropriate language skills are required for course participation.
Classical Archaeology		Link	
Comparative Literature		Link	
Computer Science and Business Informatics	Karagiannis		Participation in lectures (Vorlesungen) is permitted.
Development Studies		Link	
Economics		Link	
Education Science	Studener-Kuras	1. No. It is requested that you get the Learning Agreement signed personally by the Erasmus coordinator during consultation hours once you are in Vienna. Registration for courses via U:SPACE is necessary, but due to limited space a place in the course is not guaranteed. U:SPACE 'decides' electronically if the course registration is accepted. If you do not get into the course you wanted, it is recommended that you either personally discuss the matter with the respective course instructor or consider alternative course options already in advance.	Yes, but in the case of seminars only in accordance with available places. Participation in thesis seminars (BM 23, 24, and 25; M 17) is generally not permitted for Incomings.

		2. Any information that is not found in the course catalogue unfortunately cannot be provided by the mobility coordinator since he has no further information to offer.
