Detailed information regarding the arranged Incoming places (sorted by "Erasmus Code")

In this list you find detailed information in which fields of study inter-institutional Erasmus+ agreements are arranged with our approx. 350 partner universities for the academic year 2018/19 (last update: October 2018)

Together with the 'Home ID', the 'Country Code' completes the Erasmus code of your home university.
The easiest way to find your home university is to search for its "Home ID" by using the key combination "Strg + F".

Beside the arranged field of study you also find the family name of the mobility coordinator at the department being in charge of this place.
Furthermore also the recommended language skills are indicated.

If there is no entry in the column 'Additional Language of Instruction in a Good Extent (If Applicable)', please note that there is only one language of instruction in which a good amount of courses is taught in this field of study.
For questions regarding the language of instruction please contact the mentioned mobility coordinator.

Country Code	Home ID	Field of Study	Family Name Mobility Coordinator University of Vienna	Main Language of Instruction	Level Main Language of Instruction	Additional Language of Instruction in a Good Extent (If Applicable)	Level Additional Language of Instruction in a Good Extent (If Applicable)
