

You are a Doctorate or Post-Doctorate working in the field of ICT and its applications? Internationalize your career with the TEAM programme and complete a research period in Japan or Republic of Korea!

The aim of the [TEAM programme](#) is to create a community of excellence in ICT and its applications by bringing together twelve world-class institutions in Europe, Japan and Republic of Korea and by financing research mobilities for doctorates and post-doctorates from Europe, Japan and Republic of Korea.

The call for applications is open until May, 15th 2017.

European candidates can apply for a research period at one of the following Asian partner universities:

- University of Tokyo, Japan
- Keio University, Japan
- Nara Institute of Science and Technology, Japan
- Gwangju Institute of Science and Technology, Republic of Korea
- Chungnam National University, Republic of Korea
- Korea Advanced Institute of Science and Technology, Republic of Korea.

The beneficiaries of this programme will have their round-trip tickets paid and will receive a monthly allowance for the duration of their stay:

- PhD Student: 1500€/month for a duration from 6 to 10 months
- Post-Doctorate: 1800€/month for a duration from 6 to 10 months

The conditions to apply are:

- Being nationals from EU
- Studying and/or doing research in the field of ICT and its applications
- Fulfill one of these conditions: registered or employed at one university of any EU member state; AND/OR have obtained a university degree by an institution of any EU member state.

Further information about the application process can be found at the following link: www.team-mundus.eu and the academic offers at: www.team-mundus.eu/scholarships/academic-offers
